Product Technical Information:

Appearance: Clear Liquid
Colour: Colourless
pH Value@25 °C: 1-3
Density @25 °C: 1.196

Health and Safety:

Wear safety glasses and suitable gloves when handling. In case of eyes contact, rinse immediately with plenty of water. In case of accident seek medical advice immediately. Refer to MSDS.

Storage:

Product must be stored closed in original packing, away from heat and direct sunlight. Keep away from the reach of children.

Available Packing:

10 - 24 Liters

O- Oxidizing

C- Corrosive
